

# FLOW WALL<sup>®</sup>

● Reduce visual clutter.  
● Maximize floor space.

# Getting Started

If you're like most people, planning and organizing your home can be overwhelming. Flow Wall is a simple solution to organize your piles into an organized, findable, clean space. We can assist you in building a custom solution or you can select from one of our pre-configured systems. Get started with our simple three step process below.

## 1. PLAN & MEASURE

- **What do you want to organize?**

Use the checklist suggestions on page 6 and 7 to assist you in getting the right accessories.

- **Measure your space**

Start by measuring the **height** and **width** of the wall(s). Take note of windows, electrical outlets or any other obstructions on the wall.

## 2. SELECT A SYSTEM

- **Select a Flow Wall Kit ONLINE**

Based on your need and wall size, select a Hook and Panel or Cabinet System  
**or**

Call **877-203-5974** for assistance with a custom order.

- **Select your Hooks and Accessories ONLINE**

## 3. ORDER & INSTALL

- **Check out ONLINE**

Your order will arrive in 7-14 business days.

- **Install your Flow Wall**

Easy to follow instructions are included with your Flow Wall

**or**

# How Flow Wall Works

It all starts with the panel followed by the cabinets, drawers, hooks, and bins. It's easy to install, customize, and organize.

## FLOW WALL PANELS

Our patented panel is the perfect foundation for your home storage solutions. Featuring our patented click-in design, our system allows you to customize your space to fit your storage needs. Easy to install and maintain, Flow Wall will help clear the clutter and provide an off the ground storage solution.

## CABINETS & DRAWERS

Our cabinets and drawers are constructed from a high density press board with textured PVC laminate, with doors constructed from a high quality MDF. Carbon Fiber doors are wrapped in a textured finish that enhances the leading-edge design of our system.

## HOOKS, BINS & SHELVES

With 40+ hooks, bins, and shelves hanging and storing your gear and equipment is easy with our patented click-in-hook system. Hooks clip securely in and out of the Flow Wall panel, and can even be used inside any cabinet.

# Why Flow Wall Organizing Systems are #1

## **BACKLESS CABINETS**

Integrate any hook, bin, or shelf to keep things organized behind cabinet doors.

## **CABINETS**

Our 24 inch wide cabinets provide abundant storage and include adjustable shelves to fit all your miscellaneous items.

## **DRAWERS**

Our three deep drawer cabinets hold up to 50 lbs and create an ideal storage solution for tools, toys and other organizational needs.

## **JUMBO CABINETS**

Keep your gear off the floor and behind closed doors with maximum storage space. This 72-inch high wall mounted cabinet includes four adjustable shelves to fit all of your storage needs.

## **SOFT CLOSE HINGES**

Our cabinets feature soft-close hinges to avoid slamming doors. Sturdy metal handles, embossed with the Flow Wall logo, grip easy to give a smooth flow when opening and closing the doors.
